Why Choosing the Right Dental Plan is So Important

Did you know that [studies show](#) that your dental health strongly associated with your overall health? According to the [Mayo Clinic](#), if your teeth and gums are not well maintained, then you are likely to have other serious health conditions.

Regular brushing and flossing are important. But they are not enough to keep your teeth and gums healthy. You need regular checkups, cleanings and X-Rays to assure your mouth is healthy. If you do have dental concerns, they need to be addressed quickly or they become much worse and costly to repair. ***When you choose VP Dental in Utah, you choose a dental plan that is dedicated to your dental and overall health.***

Choosing a Utah Dental Insurance Plan

It's time to find the right plan for you and your family.

Choose between a:

- **DHMO Plan** – A DHMO is designed to save you the most money. Save money when you utilize our extensive network of dental care providers. But you will have no out of network benefits.
- **PPO Plan** – A PPO gives you the flexibility to choose. Save money when you visit one of our many in-network dental care providers. Or go out of network and pay a little more out of pocket, but still receive great savings.

Our Commitment to Your Dental Health
