VP Dental Offers Multiple Full Coverage Dental Plans for You to Choose From

Full coverage dental insurance start at as little as \$18/mo. That's only \$228 for a full year of full coverage dental insurance. Per the [American Dental Association](#), patients are paying upwards of \$400 just for your 2 annual cleanings and x-rays. And that doesn't even begin to pay if you actually need work done, which can cost you in the thousands. Healthy teeth have been linked to better overall health. Full coverage dental just makes good financial sense for every budget and good health sense for you and your family.

PPO Dental Insurance: With a ***PPO (Preferred Provider Organization) Dental plan you get to balance network cost-savings with choice.*** Choose from a wide selection of in-network providers to maximize your savings. Or if for some reason your favorite dentist isn't in the network, you may pay a little more to continue to see that provider. We believe that choice is the foundation of a good dental plan that works for real people and real life.

DHMO Dental Insurance: With a ***DHMO (Dental Health Maintenance Organization) Dental Plan, you'll maximize your savings by using one of our many in-network providers.*** Or visit any dentist outside the network, in which case you'll pay the provider for the services based upon your agreement with that provider.

What Does Full-Coverage Dental Insurance Cover?

It's really very simple if you can remember 100-80-50. This is how people remember how their full coverage dental insurance works. That's 100% of routine preventive and diagnostics, 80% of basic procedures, and 50% of major procedures.

Class 1: Preventative Care – 100% Covered

- Check-ups (2 every 12 months)
- Cleanings twice a year (1 every 6 months)
- X-rays
- Palliative Emergency Treatment
- Flouride (up to age 19)
- Sealants (up to age 17)

Class 2: Basic Dental Services – 80% Covered

- Restorations (fillings)
- Extractions
- Oral Surgery
- Endodontics (root canal therapy)
- Periodontics (treatment of gum tissue)

Class 3: Major Dental Services – 50% Covered

- Crowns
- Full or partial dentures
- Bridges
- Other prosthetic services

Class 4: Orthodontic Services – 15-25% Discount, no maximum

- Braces
